#### **B. The Real News for Mon. 30 May 2022:**

- **Special Forces:** Ep. 2787b - Military Intelligence, People's Intelligence, All Systems Go, The Best Is Yet To Come. The Deep State was deploying assets and positioning themselves for the midterms, the pandemic is being pushed, Monkey Pox lockdowns are being pushed, the 16 year plan is being pushed, they are trying everything, this is having the opposite effect, it is waking the people up. The only forward is the military with the people and this is where this is all headed. All systems are a go, the patriots are prepared and the people are going to see the true agenda of the Deep State. The best is yet to come.
- **Warning: Explosions in Switzerland** from Russian White Hat operations. Special Forces were destroying Military weapons, munitions storages in Switzerland connected to the UN and NATO. A silent fear has grasped the UN realizing there are over 6,000,000 million Russians in Europe and millions more that have mixed bloodlines and have an oath to Mother Russia. NATO, UN, DAVOS in confusion over how many Russian White Hat Military Operators were in Europe.
- **YouTube removed 9,000 channels and 70,000 videos "related to the war in Ukraine".** And, of course, first of all, they remove those channels and videos that reflect events in a different way from what is desired in the fake news MSM. So that the world

will never know the truth. Freedom of speech that doesn't exist.

- **Along with the gold/asset-backed Global Currency Reset** comes a generic currency symbol that will replace the \$ sign (and all other nation's currency signs).
- **Heroin trafficking** on streets across the world was in ruins and chaos since demise of the US Military in Afghanistan.
- **Q Drops indicated** that the Deep State would turn to violent protests across the U.S. and cause Military Divisions to be deployed for crowd control.
- **Over 400 sites across U.S.** were planned for Liberal protests against SCOTUS possible turn over after Justice Robert confirms the Leaks.
- **These 400 planned protests** will turn into riots as being planned by Deep State, Antifa and Left Wing Extremists.
- **The National Guard** was expected to be deployed in all U.S. States.
- **When clashes become too heavy**, dangerous and violent it's highly expected that Army divisions Light Infantry Units will be deployed.
- **Training for Army units** has begun in secure locations throughout North American regions on how to combat inner city Civil disturbance operations.
- **Currently the UN** was also holding Military drills on combating Civil unrest in large cities and gray zones.
- **SCOTUS Chief Justice Roberts** was a turn coat ( playing a part and placed by White Hats). His crimes were massive, Treasonous and connected wars through FISA courts. His wealth was heavily connected to human trafficking, money laundering in Ukraine, Israel, Iran and Saudi Arabia (old Clinton world Saudis ties that were now ending).
- **Behind the scenes the White Hat operations** were targeting the Senate captured foreign operations. The Senate was headed into exposure, collusion and collapse.
- **Major news was about to hit from Middle America / South America** that would affect the US. This Event would silence Ukraine for awhile, but U.S. citizens weren't ready for this Event and will be shocked.
- **Cartels run Middle and South America.** You can't fix the U.S and world Deep State if you don't take down Cartels that run countries while working for the Deep State. They connect oil shipping, produce, foods, paper, coffee and natural resources.

- **The QFS is going very well. Every bank on the planet is no longer controlled by the Cabal.** Their system is encoded to the White Hats. The banks are locked into the process
- **I told you when the Currency Revaluation was close,** then we would see what the Russian Army is really made of... it has been working with one hand tied behind its back... On Monday (May 23, 2022) Putin told them, "Do what you have to do."
- **Even the MSM news, even the BBC, suddenly reported that the Russian military was "superbly organized"...** and two cities had fallen to them in the last five days. The Prime Minister of Britain said that Russia "was slowly chewing its way through the Ukraine." So there is no more reason for Putin to "pussy foot" around.
- **It was the Ukrainians that walked away** from the debate table... Dmitry Peskov was right when he said on behalf of Putin ... "We genuinely do not know what the Ukrainians want." And the Ukrainian President was quoted yesterday saying... "We do not want to sit down and talk with the Russians, but I suppose we will have to." He is basically saying that he does not want peace talks. Unless both sides sit at a table, the war goes on.
- **Now the White Hats are 100% calling the shots,** dictating what happens and how.
- **The Cabal lost the banks...** so we just have the Mainstream Media to concern ourselves with.

As the food shortages become more apparent, the list grows and grows. The FDA is recalling billions of pounds of food that they then just dump.
- **Since the start of 2022** there have been 16 major fires at key food industry facilities in the U.S.
- **#1 Salinas, California:** As the smoke settles near Taylor Farms, questions remain on the future of the business and the roughly 1,000 people employed at the Abbott Street facility. There is little to nothing left of the processing facility due to fire and smoke damages caused by Wednesday night's blaze, according to Deputy Fire Chief Sam Klemek. "About 85% to 95% of the building is a total loss," he said.
- **#2 Hermiston, Oregon:** Multiple workers are hospitalized following an explosion at a food processing facility that has nearby residents on alert for possible evacuation. The explosion occurred Tuesday evening at Shearer's Foods in Hermiston, a city in agriculturally rich eastern Oregon. No deaths have been reported from the blast, but the extent of the damage to the plant and its future were not clear. City officials are concerned what the fire could mean for the community and local economy.

- **#3 Conway, New Hampshire:** Neighbors banded together to support crews as they battled a fire in Conway for about 16 hours Monday night. More than 12 departments and agencies worked together to put out the fire at East Conway Beef and Pork.
- **#4 San Juan, Texas:** On March 31, 2022, a structure fire significantly damaged a large portion of the largest fresh onion packing facilities in South Texas.
- **#5 Jonesboro, Arkansas:** "The situation at our Jonesboro factory is under control and we are looking into the cause of the fire," a Nestle spokesperson said. "Thankfully, no employees were injured and all are safe. We appreciate the quick response of the Jonesboro Fire Department and emergency response teams. The factory will remain closed as we assess the damage and return the factory to full operation. We plan to continue to support our employees financially during this time." Nestle opened the plant in 2002 and in December 2020 the company unveiled plans to invest more than \$100 million to expand the frozen foods plant, including the addition of 90,000 square feet and a new production line for Hot Pockets frozen sandwiches. In addition to Hot Pockets, Nestle makes products under the Stouffer's, Lean Cuisine, DiGiorno, Tombstone and Sweet Earth brands at the plant.
- **#6 Mauston, Wisconsin:** A portion of Mauston's Wisconsin River Meats burnt down during an overnight fire Feb. 2-3, with the cause of the fire still under investigation. "The old portion of the plant is a total loss," Wisconsin River Meats said in a Facebook post about the fire. "We humbly ask that you be patient and please give us some time to sort out the cause of the fire and for us to transition some of our business and invoicing to our warehouse."
- **#7 Fayetteville, Illinois:** Operating from what company officials referred to as the command center at Deli Star Corp.'s St. Louis Innovation Center, the Siegel family-led operations and executive team have spent the week scrambling to fulfill customers' orders and work with local officials investigating a Jan. 11 fire that destroyed its 75,000-square-foot processing plant in Fayetteville, about 40 miles southeast of them.
- **#8 Belfast, Maine:** Fire crews from several towns have been battling a fire at the Penobscot McCrum potato processing plant in Belfast. Crews were called to the scene at 28 Pierce Street around 3:30 a.m., according to Maine Department of Public Safety spokesperson Shannon Moss.
- **#9 Leoti, Kansas:** A fire at a fertilizer company in western Kansas prompted evacuations Tuesday afternoon because hazardous materials were involved, officials said. The Ford County Regional Hazardous Materials Team deployed to Leoti for the fire and was fighting the blaze and removing hazardous material, Wichita County Clerk Lynda Goodrich said.
- **#10 Claypool, Indiana:** Louis Dreyfus Company (LDC) said on Wednesday a fire had broken out in a bag house at its Claypool, Indiana, soybean processing and biodiesel plant on Tuesday and the affected systems had been suspended. No employees were injured and the fire was put out by 9:15 p.m. central time on Tuesday, LDC said in a statement. LDC's website said soybean deliveries were suspended at the plant on Wednesday. LDC says Claypool is the largest fully integrated soybean processing and biodiesel plant in the United States.
- **#11 Winston-Salem, Carolina:** An uncontrolled fire at a fertilizer plant in North Carolina forced thousands of people to evacuate as firefighters stood back Tuesday because of the danger of a large explosion. Authorities drove through neighborhoods and

knocked on doors asking residents to leave within a one-mile radius (1.6 km) of the Winston Weaver Company fertilizer plant on the north side of Winston-Salem, where the fire started Monday night. Overnight, bright orange flames and thick plumes of smoke could be seen shooting into the sky. No injuries were reported.

The fire happened just 15 minutes after their food bank closed on Monday morning. Smoke was still coming from the rubble 24 hours later. "It had to be 40-50 feet in the air, just pure black smoke. It engulfed the entire neighborhood," said Maricopa Food Pantry President Mike Connelly. "The heat we could feel down at the corner."
- **#15 Dufur, Oregon:** The headquarters of Azure Standard, the nation's premier independent distributor of organic and healthy food, was destroyed by fire overnight. There were no injuries. No other Azure Standard facilities were affected.
- **#16 Plainfield, Indiana:** Investigators from the ATF's National Response Team began its on-scene investigation on Friday into the massive fire at a Walmart food producing facility in Plainfield.

- **Benjamin Fulford's latest, published today**, conveys the good news that recent WEF and WHO confabs in Switzerland - designed to shift world events back onto the NWO Hunger Games timeline by desperate means - were the huge belly-flops they deserved to be. Whether or not the related report of arrests is for-real, things along such lines are inevitable as Fall of the Cabal processes gather steam.
- **The long-running war for Planetary Liberation has been won!** What's needed now is continued pressure by the combined high-level and grassroots actors who brought about this amazing victory, as institutional structures and the general public realign year after year, from Earth's long history of needless tragedy and engineered shared scarcity to a future of health, peace and...shared abundance.
- **The news Fulford reports regarding Jeff Bezos** is remarkable if true. Bezos has cozied up to all the top Hunger Games projects to date, including the bogus Climate Change

lockdown scheme. It's credible to believe he's making an about-face because it's clear the Cabal has lost and, true to form, he and the billionaire class in general perpetually want to align with "the winners."

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

#### **K. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney

General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**L. The following have been set up to report Crimes Against Children and incidents of human trafficking**, although I cannot verify as to the influence of Satanists within these organizations:

## **M. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**N. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
